Who is DW Express Ltd?

We are a reliable freight and forwarding company with partners all over the world.

Mission?

Our mission is to form logistics backbone with existing and potential customers to be part of business chain on Structured System Service Delivery in line with professionalism.

Our services/products

Motor Vehicle Importation

We are experts in sourcing, freighting and custom clearance of new and used cars from the UK, Japan and South Africa.

Air Freight

We understand the urgency of air freight services, and we are dedicated to delivering freight on time to meet the needs of our diverse customers. We have strong partner relationships with all major carriers, giving us very competitive rates and top-notch service for our freight.

Sea Freight

With years of experience facilitating sea freight services, we have developed strong ocean transport relationships, allowing us to negotiate the best possible terms for each customer's cargo movements. Our aim is to provide the highest standard of communication and coordination with our customers.

We facilitate a full range of ocean freight services, including:

- FCL& LCL Consolidation Programs
- Fast Transit Times
- Abnormal Cargo Transportation
- Containerized Transportation
- Trailer Transportation
- Ocean-to-Air Service
- Break-bulk.

Training

DW Express Ltd values our clients as demonstrated through our accountability to provide high-quality, timely and intentional service delivery. We value innovation through our dedication to find new, creative ways to solve unique client challenges. We value opportunity and empower our employees to seize each and every opportunity available to them to promote both personal and professional growth. Let us brighten your logistics experience.

UK Partners
